**Date:** Wednesday, August 26, 2020 4:52:35 PM

---

Dear Idaho Public Utilities Commission:

I am an Idaho Power customer and I support clean energy and energy efficiency because clean air, water, and climate change matter. We can support the economy with jobs and tourism with solar and wind projects --and support our natural environment and tourism as well. We buy Green Power and support buying more, as well as independent customer owned systems. Thank you!

Regards,  
Sherry McKibben
