2. This Intervenor, the Clearwater Paper Corporation is a customer of Avista Corporation (“Avista”) and receives electric and natural gas utility services from Avista. Clearwater Paper Corporation claims a direct and substantial interest in this proceeding in that its rates for service from Avista will be affected by the outcome of this proceeding.

3. This Intervenor intends to participate herein as a party, and if necessary, to introduce evidence, cross-examine witnesses, call and examine witnesses, and be heard in argument. The nature and quality of evidence which this Intervenor will introduce is dependent upon the nature and effect of other evidence in this proceeding.

5. Without the opportunity to intervene herein, this Intervenor would be without any means of participation in this proceeding which may have a material impact on its electric and natural gas rates and the terms and conditions of such service.

6. Granting this Intervenor's petition to intervene will not unduly broaden the issues nor will it prejudice any party to this case.

WHEREFORE, the Clearwater Paper Corporation respectfully requests that this Commission grant its Petition to Intervene in these proceedings and to appear and participate in all matters as may be necessary and appropriate; and to present evidence, call and examine witnesses, present argument and to otherwise fully participate in these proceedings.
