Title 61
Public Utility Regulation
Chapter 10
Special Regulatory Fee
61-1007. Objections to Fees Assessed

To Whom It May Concern:

Please accept this letter as an explanation of an erroneous Idaho Gross Operating Revenue report for the BG&CM Railroad for the year 2006. I believe I used revenue for the two railroads I manage and I have adjusted and sent a revised report to David Hattaway on April 26, 2007. I am enclosing a copy of our Class II and III Annual Report and a revised Schedule of Gross Operating Revenues for calendar year 2006. Please accept my apologies for all the inconveniences I caused.

Sincerely,
Les J. Hancock
Office Manager
