

LEGAL MEMORANDUM

TO: ~~YAN ALLEN~~
DAVID HATTAWAY

FROM: DON HOWELL
DEPUTY ATTORNEY GENERAL

DATE: JULY 7, 2009

SUBJECT: APPLEWOOD COMMUNICATIONS, CASE NO. APL-T-09-01

In a Decision Memorandum dated June 11, 2009, the Commission Staff noted that Applewood filed a written protest to its FY 2010 regulatory assessment. As set out in the memo, Applewood erroneously reported its total company gross revenue instead of its intrastate Idaho operating revenue.

In response to the Decision Memorandum, the Commission found that Applewood had misreported its Idaho intrastate operating revenue. The Commission granted Applewood's objection and decided to accept its recalculated assessment in the amount of \$50 (based upon intrastate operating revenues of \$1,452). Accordingly, this case is considered closed.
