CONVENIENCE AND NECESSITY TO)
REFLECT THAT CINCINNATI BELL ANY) **ORDER NO. 33956**
DISTANCE, INC. HAS CHANGED ITS NAME)
TO CBTS TECHNOLOGY SOLUTIONS, LLC)

On December 6, 2017, Cincinnati Bell Any Distance Inc. (Company) notified the Commission of a change in its operating entity that affects its Certificate of Public Convenience and Necessity, No. 509. Effective October 4, 2017, the Company had withdrawn its foreign registration statement with the Idaho Secretary of State and successfully re-registered to conduct business in Idaho under the name CBTS Technology Solutions, LLC.

At the December 18, 2017, decision meeting, Staff recommended the Commission change the name on Certificate No. 509 to reflect the proper name of the entity conducting business under authority of the Certificate. The Company stated that the change in name and registration will have no customer impact. The Company has provided its updated Interexchange Service tariff and a link to its local service price list.

Based on our review of the information provided to the Commission by the Company, the Commission finds it reasonable to issue an amended Certificate of Public Convenience and Necessity to reflect the change in name on Certificate No. 509 from Cincinnati Bell Any Distance, Inc., to CBTS Technology Solutions, LLC.

ORDER

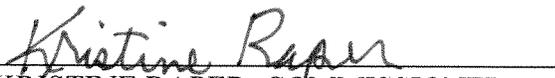

IT IS HEREBY ORDERED that Certificate of Public Convenience and Necessity No. 509, is amended to change the name from Cincinnati Bell Any Distance, Inc., to CBTS Technology Solutions, LLC. CBTS Technology Solutions, LLC will be issued an amended Certificate reflecting this name change.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order.
