Telecommunication Service

ClearCore Communications proposes that it will begin to provide service as soon as a Certificate to provide basic local exchange service is received and an interconnection agreement with U S West is executed.

The company proposes to offer various services to residential customers, small business customers, and business customers.

Services the company proposes to offer include:

- Residential and business basic local dial-tone and features
- PBX trunks and features
- Custom network services similar to Centrex
- Unregulated Internet services

ClearCore Communications will initially offer resold services and will add certain facilities based services as it becomes possible based on the development of equipment by the company.

Service Territory

ClearCore Communications proposed service area is the following exchanges in the Eastern Idaho expanded calling area:

- American Falls
- Bancroft
- Blackfoot
- Dayton
- Downey
- Firth
- Franklin
- Grace
- Idaho Falls
- Inkom
- Lava Hot Springs
- Lewisville-Menan
- McCammon
- Montpelier
- Pocatello
- Preston
- Rexburg
- Rigby
- Ririe
- Riverside
