On July 27, 2018, Bar Circle S Water Company (the Company) asked for permission to extend a water line to serve a new subdivision. McCarthy Capital, Inc., is developing the new subdivision, which consists of about 136 acres and 24 lots in Kootenai County. The Company explained the extension would be a looped system with water supplied from three existing wells. Each lot would pay a \$2,500 hook-up fee on closing the purchase. *See* Application.

On August 15, 2018, the Commission issued a Notice of Application and set a deadline for persons to petition to intervene as a party to the case. The Commission also explained it would set further procedure after the intervention deadline ran. The intervention deadline ran on September 4, 2018 with no one petitioning to intervene. With this Order, the Commission finds it appropriate to process the case by Modified Procedure, and sets deadlines for interested persons to file written comments.
