

## NOTICE TO OUR CUSTOMERS

Capitol Water Corporation filed an application on June 20th with the Idaho Public Utilities Commission to increase its Purchased Power Cost Adjustment from 2.61% to 2.93%, an increase of 0.32 percentage points. The unmetered residential customer will, if approved by the Commission, see an increase in their monthly bill of \$0.10 in the months of May through September and \$0.04 in all other months. Metered customers will see an increase of 0.32% in their bill. The Purchased Power Cost Adjustment appears on water bills as "PPCA". The Purchased Power Cost Adjustment is applied to customer bills after all other charges for water service have been accumulated excluding Boise City Franchise fees and Idaho Department of Environmental Quality fees. The Company has requested an effective date of August 15th. The application is in response to changes in the electric rates Idaho Power charges Capitol Water Corporation for the electric power it uses to provide water service to customers and is expected to produce an increase in Company revenues of \$2,077. The application is subject to the approval of the Commission and is available for review at the Company's office at 2626 Eldorado St. in Boise and on the Commission's web site at [puc.idaho.gov](http://puc.idaho.gov) and one may subscribe to the Commission's RSS feed to receive periodic updates via email about the case. Customers may make written comments to the Commission regarding the application.

Comments and inquiries may be addressed to the Idaho Public Utilities Commission on its web site by going to the "file room" link on the home page and scrolling to the bottom of the list to "file a comment or complaint". Case No. CAP-W-19-01 should be identified in all correspondence with the Idaho Public Utilities Commission.

OTHER RECURRING AND NON-RECURRING CHARGES**

**RECURRING CHARGES**

Applicable: To all customer bills

**Purchased Power Cost Adjustment: (PPCA)**

Beginning August 15, 2019 all customer bills will be increased by 2.93%. The purpose of the PPCA is to allow the company to adjust its rates when its power supply costs increase or decrease. The PPCA is expressed as a percentage, which only applies to the monthly charges for service as listed in schedule Nos.1,2 and 4. It does not apply to the total bill amount, which includes other charges such as the DEQ fee and the City of Boise franchise fee shown below.

**City of Boise Franchise Fee:**

All customer bills will be increased by 3% for payment of Franchise Fees assessed by the City of Boise.

**Department of Environmental Quality Fee:**

All customer bills will be increased by \$0.34 to collect the assessment required by the Idaho Department of Environmental Quality.

**NON-RECURRING CHARGES**

Applicable: To all customer bills

**Reconnection Charges:** A reconnection charge will be assessed to any customer who has been voluntarily or involuntarily disconnected in compliance with the Idaho Public Utilities Commission's Utility Customer Relations Rules (UCRR). Charges do not apply to customers who have been involuntarily disconnected for the convenience of the Company.

Reconnection Charge \$20.00

The following "Customer Requested Service Calls" charges also apply.

**Customer Requested Service Calls:** During Normal Business Hours  
Other Than Normal Business Hours \$20.00

Service call charges will be waived if the service call resulted in repair to Company's equipment through no fault of the customer.

Normal Business Hours are 8:00 AM to 5:00 PM Monday through Friday excluding

Legal Holidays recognized by Idaho State Government Offices

**Returned Check Charge:** In the event a customers check is returned by the Company's bank for any reason, the Company will charge the customer's account a reprocessing fee of \$15.00

**Meter Testing Fee:** Not Currently in Use.
