FROM: BRANDON KARPEN
DEPUTY ATTORNEY GENERAL

DATE: AUGUST 2, 2017

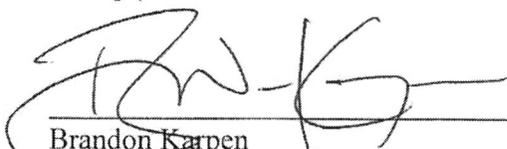

SUBJECT: FURTHER CONTINUANCE OF THE STAY OF PROCEEDINGS
CASE NO. EAG-W-15-01

In November 2015, Eagle Water Company filed an Application seeking authority to implement a 53.82% surcharge on its customers' water usage. The Commission suspended the effective date until March 10, 2016. Order No. 33430. The Company subsequently agreed to several further suspensions. *See* Order Nos. 33478, 33509. On August 10, 2016, the Commission approved a Stipulation between the Company and Staff to stay all proceedings in this matter for one year, or "until such a time that the parties file a joint motion to lift the stay." Order No. 33567.

On August 2, 2017, the parties met, and can now report to the Commission that a full settlement of matter has been reached. However, settlement documents and supporting testimony will not be able to be produced by August 10, 2017. Accordingly, the parties have agreed that the case be stayed for an additional two months, until October 10, 2017. At that time, or before, the parties will present the Commission with a proposed settlement agreement for consideration.

COMMISSION DECISION

Does the Commission wish to stay all proceedings in this matter as requested?
