DATE: October 6, 2017

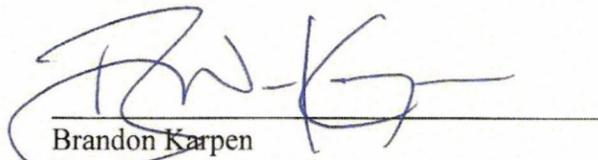

SUBJECT: FURTHER CONTINUANCE OF THE STAY OF PROCEEDINGS
CASE NO. EAG-W-15-01

In November 2015, Eagle Water Company filed an Application seeking authority to implement a 53.82% surcharge on its customers' water usage. The Commission suspended the effective date until March 10, 2016. Order No. 33430. The Company subsequently agreed to several further suspensions. *See* Order Nos. 33478, 33509. On August 10, 2016, the Commission approved a stipulation between the Company and Staff to stay all proceedings in this matter for one year, or "until such a time that the parties file a joint motion to lift the stay." Order No. 33567.

As reported in August, a full settlement has been reached. However, settlement documents and supporting testimony are still being finalized. Accordingly, at this time, Staff is requesting an indefinite stay of proceedings.

COMMISSION DECISION

Does the Commission wish to stay all proceedings in this matter as requested?
