Name of Utility Company: Eagle water company

Comment: Please do not allow Suez to purchase Eagle Water. I believe they do not have Eagle resident's best interest in mind and I feel like they can't maintain the system they have now, their rates are ridiculously high, and routinely over charge. I am on a fixed budget and feel like a 300% rate increase is uncalled for to only bring added problems to our area. The City of Eagle and its residents are better off managing the water system. Thank you
